

Mana presents
Rehearsing for Heaven

with Tony Backhouse

May 28-30, 2010

Tony's workshops at Mana Retreat Centre just get better and better - ask those who come back year after year.

Tony is a masterful director of a *cappella* inspirational choir – in two short days he has our whole being moving and expressing joy and love through singing gospel and songs from other traditions. Whatever your spiritual orientation, singing experience or talent, we'd love to have you join us.

Tony Backhouse is a composer, singer, Black gospel aficionado and a *cappella* choir director extraordinaire.
